Applicant:

Ing. Jiří Modr

Mezouň 5, 267 18 Mezouň, Czech Republic

VAT: CZ7408051629

Manufacturer:

Ing. Jiří Modr

Mezouň 5, 267 18 Mezouň, Czech Republic

The undersigned legal representative of the Notified Body No 1023 certifies, on the basis of the performed test, the results of which are referenced in the Final report No 713301638/2015 and the technical documentation provided by the applicant, that the above referenced model of the toy complies with the essential safety requirements of Council Directive 2009/48/EC, which is transposed to the Czech Government Order No 86/2011 Coll. concerning the safety of toys, as amended.

Information and conditions relating to the use of this Certificate:

- 1. It applies only to the model of toy submitted to test referenced above.*
- 2. It does not imply that the Notified Body has performed any surveillance or control of its manufacture.*
- 3. The Manufacturer shall assure that all toys of the respective models conform to the type approved by this Certificate.*
- 4. The Applicant shall inform the Notified Body about all technological changes in the manufacture of the approved models and as consequence of the technical advances, shall regularly keep informed of any standard changes as well as modifications of testing methods conducted by the Notified Body which shall approve these changes in necessary cases by the amendments to the original Certificate.*
- 5. The manufacturer shall, after fulfillment all EU legislation requirements, affix to each toy of the approved type the conformity mark CE set out in Regulation (EC) No 765/2008 according to an example:*

CE

Issued on:
